

DaDaStore Upwork Proof Pack

Consolidated evidence PDF for DaDaStore V2 website planning and credibility review.

Prepared for	DaDaStore / Saad Masood
Prepared date	2026-07-15
Source	Project Owner supplied Upwork screenshots
Status	Internal proof archive / content-source reference

Usage boundary: This PDF consolidates screenshots for internal website/copy planning. Public claims should use only data explicitly approved by the Project Owner. Do not publish private client details, private messages, client names, or unverifiable case-study metrics without approval.

Public-safe data visible in the supplied profile overview: 100% Job Success, Top Rated Plus, \$100K+ total earnings, 74 total jobs, 5,084 total hours, \$55/hr profile rate, and positioning around Meta Ads, CRO, performance marketing, Shopify/ecommerce growth, creative strategy, analytics, troubleshooting, and coaching.

1. Public-Safe Credibility Summary

Proof area	Visible/supplied evidence
Profile standing	100% Job Success; Top Rated Plus
Marketplace proof	\$100K+ total earnings; 74 total jobs; 5,084 total hours
Profile title	Meta Ads Specialist CRO & Performance Marketing Data-Driven Growth
Profile rate	\$55.00/hr
Core positioning	Performance marketing, conversion optimization, data-driven decision making, Meta Marketing Partner expertise, creative strategy, ecommerce growth, coaching and troubleshooting
Skills visible	Facebook Advertising, Conversion Rate Optimization, Facebook Ads Manager, Campaign Optimization, Retargeting, Google Ads, Google Analytics, Ecommerce, Creative Strategy, Pixel Setup & Optimization, Data Analysis, Advertising Account Audit, TikTok Ad, Digital Marketing Strategy, Media Buying, Video Advertising, Coaching, Troubleshooting, A/B Testing, Shopify
Evidence types included	Profile overview, skills, certifications, employment history, work history/reviews, portfolio screenshots

Recommended website usage: use marketplace/badge facts and skill/service categories as credibility support; keep case studies as framework/coming-soon unless factual client-approved results are provided.

2. Evidence Index

Buy Connects

I help businesses scale profitably through performance marketing, conversion optimization, and data-driven decision making.

As a Meta Marketing Partner, I bring platform-level expertise combined with real-world execution experience.

With 20+ years of experience across marketing, design, and analytics, I bring a hybrid approach that combines creative strategy with measurable performance.

What I do:

- Meta (Facebook & Instagram) Ads – Full funnel strategy, scaling & optimization
- Conversion Rate Optimization (CRO) – Improve ROAS and customer journey
- Data Analysis & Troubleshooting – Identify bottlenecks and fix performance issues
- Creative Direction – Ad creatives, messaging, and campaign structure
- End-to-End Ecommerce Growth – From setup to scaling

I also help businesses troubleshoot underperforming ad accounts and provide coaching for teams that want to better understand and manage their marketing systems.

I've managed multi-million dollar ad budgets and worked with long-term clients across different industries, focusing on sustainable and profitable growth.

E02 - Profile details: consultations, portfolio strip, languages, verification, education summary.
